

## Breakfast Cook – Permanent, Part-time, Year-Round Position

The ideal candidate for this job is, first and foremost, a team player who is flexible in your attitude and will pitch in to do what is needed. For example, on days when we have only a few guests at the Inn – would you be willing to do the dishes? If you answered, “yes,” you are going to be a good fit with us. You enjoy working in a one-cook, fast-paced kitchen. You also enjoy responding to those special, unexpected guest requests and interacting with our professional inn staff, which consists of innkeepers, wait staff, housekeeping and maintenance. You will report to the head innkeeper, who has overall responsibility for the food and services we are providing to our guests.

Our hallmark at the Garden Gables Inn is “anticipate, then exceed guest expectations.” You are experienced, reliable, motivated and friendly – willing to learn and use our recipes and also help create new ones that bring your unique style to make our highly-regarded breakfasts even better.

Job duties consist of:

- Prepping breakfast food day-of and for the following breakfast shift.
- Cooking full, to-order breakfast menu for up to 40 guests. Some baking is required.
- Creating the list of breakfast ingredients that need to be purchased.

Skills required:

- Short-order breakfast cook. Professional culinary training is a plus, as is a gourmet flair to your preparations. We make everything from scratch.
- Ability to scratch bake muffins, quick breads and other breakfast items is a plus. If not already experienced, willingness to learn. We bake fresh daily.
- Clean kitchen procedures.

This is a permanent, part-time, year-round position. Hours will vary throughout the year, based on how many guests we have, with Summer/Fall offering the potential for up to 7 days per week of work. The basic schedule will generally be from 7 am – 11 am, a minimum of 4 days a week. Normal workdays will be Saturday – Tuesday, with additional days possible on most weeks. If you have a flexible schedule and are looking for additional hours, there will definitely be an opportunity to work additional days, cook for meetings and events, as well as for summer dinners. Pay scale begins at \$14, depending on experience.

Garden Gables Inn  
135 Main Street  
Lenox, MA 01240
