Green Team Wish List for Tools and Supplies

Tool List Update

These are the tools and supplies we use every day — outdoors — for many Green Team tasks.

Green Team is currently looking for two types of tools, for Summer 2023 garden and landscape projects, and the Pollinator Pathway Project!

1.

Spading forks,

four-tine, on strong wood or fiberglass d-handles, preferably new or gently used.

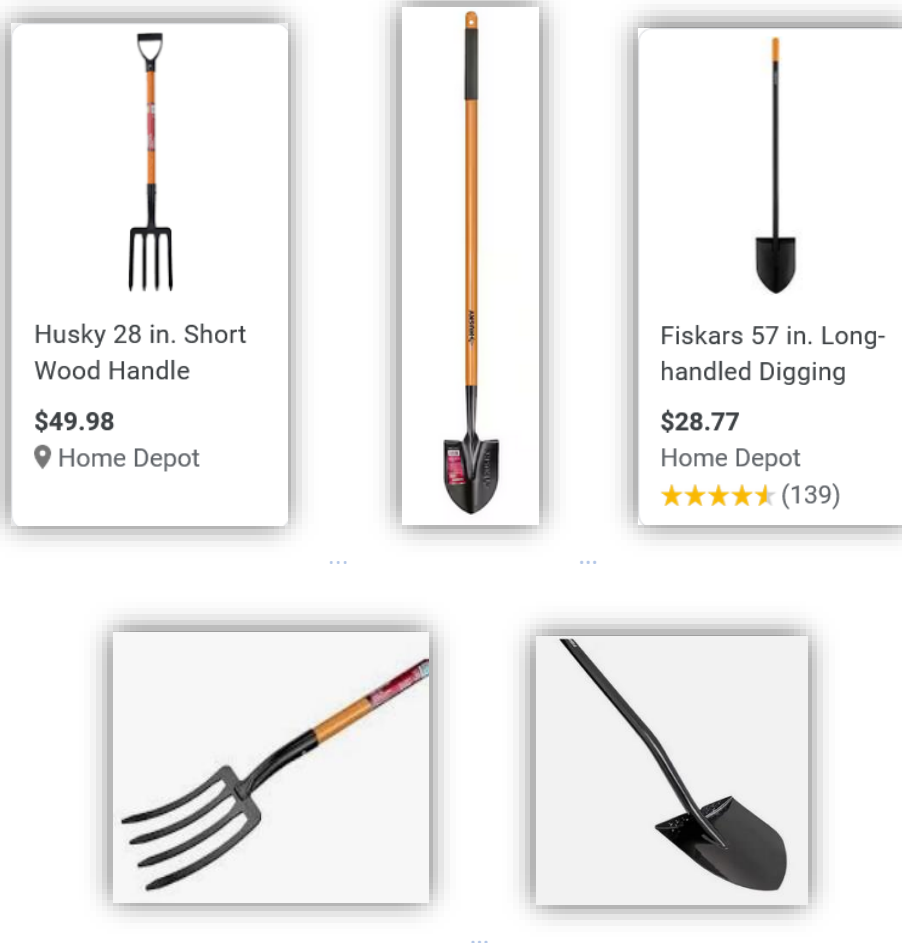

And

2.

Garden shovels for transplanting,

Long handled, on strong wood or fiberglass d-handles, preferably new or gently used.

The brands we have used before are “Fiskars” and “Husky”, yet if you have good tools you would like to donate to BCC Green Team, any sturdy brand is great!

If folks have questions please feel free to reach out and let Green Team know.

Thank you, and please send questions and suggestions to Roberta Hayes,

roberta_hayes@student.berkshirecc.edu

Thank you for your participation and interest in the Green Team
of Berkshire Community College.
